Dear Clients of Harrison & Gammons:

As the COVID-19 virus begin to impact our community, we want to reach out and share with you the steps we are taking to ensure your safety as well as that of our employees at Harrison & Gammons, P.C.

The health and well-being for you, as well as our staff remains a high priority. The rapidly evolving situation is one that we continue to monitor. In our office, we will sanitize meeting areas and commons surfaces regularly (multiple times per day). Any employees who are sick, or have been around anyone who is sick, have been instructed to remain at home. We are doing what we can to keep our office clean and safe. Bearing that in mind, we ask for your help as we work to reduce the risk of exposure and maximize our sanitation procedures for the benefit of our office and community. If you or anyone in your home has traveled to or from a high-risk zone (or internationally) in the last month, please contact our office to reschedule your appointment. We also ask that you help us maintain a safe environment by limiting the number of people who may attend an appointment to only those whose attendance is absolutely necessary. When possible, please refrain from bringing additional family, children, parents, and pets. Lastly, if you are coughing or exhibiting any symptoms of the COVID-19 virus, please contact our office to reschedule.

During this time, we are also happy to accommodate any requests to handle appointments through telephone or other electronic means. Please contact the office at 256-533-7711 to request any alternative meeting method or reschedule.

We apologize for any inconvenience this may cause. We are committed to maintaining a safe and healthy office environment and look forward to serving you and our community for many years to come.

Best regards,

The Lawyers and Staff of
Harrison & Gammons, P.C.
